

# Mini Fleet

**Finding fleet insurance that's flexible enough to meet your SME clients' specific needs can prove a challenge. That's where our e-trade Mini Fleet product comes in.**

Our Mini Fleet insurance has the flexibility to cover cars, vans, trucks, minibuses, agricultural, special types, or a whole mix of business vehicles.

Our product can deliver a tailored set of protections for your clients, with options including AA breakdown cover and uninsured loss recovery. We can consider any driver, including those aged 17 - 24 with no upper age limit.

We can accommodate most small fleets (between 3 to 20 vehicles).

## Main benefits

- > Fast e-trade quotes for over 3600 trades, 24 hours a day
- > At new business stage, you can include 3-20 vehicles (up to 7.5T)
- > No maximum number of vehicles for existing business
- > Having spent the last 30 years as leaders in minibus insurance, we've made it easy for you to include minibuses on the policy
- > We will consider any specified driver from age 17 upwards, with no upper age limit, regardless of claims history and convictions
- > Optional AA breakdown recovery, which includes European cover, Roadside assistance, Relay, Homestart and Onward Transportation for all passengers
- > Optional Uninsured Loss Recovery
- > Trailers covered automatically up to a value of £5,000
- > MID automatically updated
- > Statement of Fact based for reduced paperwork and improved workflow
- > Online MTAs and renewals, so faster turnaround for clients
- > Delivery of motor certificates and policy documents when you want them puts you in control
- > EU cover as standard.

## Why choose QBE?

**Because we make it possible.**

As specialist insurance providers for almost every kind of business, our people have the experience, detailed knowledge and positive attitude you need to achieve your goals.

We don't believe that one size fits all. Nor are we influenced by what others do. From policy inception through to claims settlement, we apply our energy and expertise to really understanding our clients' needs. It's this attention to detail that enables us to tailor the solution that's exactly right for them.
