

Tradesman

Your tradesman clients take pride in a job well done. Our insurance has the tools to help them keep on doing just that.

Our tradesman product is a flexible per-capita rated insurance product designed for traditional trades as well as contractors, professionals, administrative and service industries.

Suitable for firms with a turnover of up to £2.5 million and up to 25 employees, it includes Public Liability and Legal Expenses as standard, with optional covers available to suit your clients' needs.

Main benefits

- > Fast e-trade quotes for around 800 trades, 24 hours a day
- > Public and Products Liability limits of indemnity of £1 million, £2 million and £5 million available for all trades with a £10 million limit available for most
- > Caters for up to 15 manual workers
- > Automatic cover for bona fide subcontractors provided payments to them don't exceed 35% of annual turnover
- > Statement of Fact based for reduced paperwork and improved workflow
- > Delivery of policy documents when you want them puts you in control
- > Online MTAs and renewals, so faster turnaround for clients
- > Comprehensive wording.

Did you know...?

For more complex risks we have an e-trade Contractors Combined product.

Our SME insurance products cover property, casualty, motor and specialist lines.

Why choose QBE?

Because we make it possible.

As specialist insurance providers for almost every kind of business, our people have the experience, detailed knowledge and positive attitude you need to achieve your goals.

We don't believe that one size fits all. Nor are we influenced by what others do. From policy inception through to claims settlement, we apply our energy and expertise to really understanding our clients' needs. It's this attention to detail that enables us to tailor the solution that's exactly right for them.

QBE for SME

We want to help you win more business by giving you

- > Flexible, tailored products specially designed for SMEs
- > Direct access to empowered underwriters
- > An 'open for business' attitude to risk and rates.
